## Boarding

With over 26 years of dog boarding and training experience, we offer you a safe, comfortable environment for your dog.

- Country boarding with indoor/outdoor runs
- Climate controlled indoor sleeping area with 10 air volume exchanges per hour to ensure that any air-borne disease is not allowed to propagate
- Staff on site 24 hours

## Boarding School – training your pet while you are away

Inquire about our board and train program; have your dog learn manners while you are on vacation. Minimum 2 weeks.

## Exercise Time Available *Additional cost*

Regular daily exercise reduces the stress of boarding. Playtime is one on one with a handler; we can throw balls, or just let your pet enjoy the freedom. Dogs trained by DeCoverly Kennels, or dogs that come reliably when called, can get off leash pond swimming time.

Sign your dog up for playtime in the 5-acre fenced yard or leash walks around the pond.
